

Remarks

Applicant has just realized that there are several more incidents where the phrase "nut" or "wire nut" is used that were not corrected by the previous Supplemental Amendment.

It is accordingly submitted that this application is in condition for allowance and early steps toward that end are earnestly solicited.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "G. Turner Moller". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
